

Missing Person at Sea

Supporters Reflex Tasks

The continuous sounding of air horns & whistles, and waving of flags to competitors, **confirms** that a **competitor is missing at sea**.

SUPPORTERS' response and responsibilities.

1. Immediately leave the beach area closest to the water, taking all equipment that you can, to provide clear open access to the water arena by officials and search parties.
2. Only re-enter the arena area, if required, to continue to remove craft and equipment from the arena.
3. Please remain outside the arena and the designated search zone until instructed or permitted to do so by officials or an announcement by the event management team over the public address system.
4. If you are a qualified and refreshed lifeguard, a competent swimmer, and have fins and goggles/mask with you, and preferably a wetsuit vest, you may wish to consider making yourself available, to join a search party. If you meet all these requirements, please report to an official in the affected arena/s with the equipment detailed above, and follow their instructions as directed.
